It is my own responsibility to perform proper due diligence with regard to any such representative, financial advisor, broker or other party. Any review performed by Custodian with respect to investment shall be solely for Custodian's own purposes of determining the administrative feasibility of the investment and in no way should be construed as an endorsement of any investment, investment company or investment strategy. In addition the acceptance of any investment should not be construed as an endorsement of any investment, investment company or investment strategy;

2. This investment is not FDIC insured and may lose value. In addition the investment selected by the undersigned may lack liquidity; may be speculative and involve a high degree of risk; and may result in a complete loss of the investment. Any loss sustained in my Retirement Account will not affect my retirement income standard; and if a mandatory distribution arises, I will have the ability through my IRA and/or other retirement accounts to meet any mandatory distribution requirements.

3. Neither Custodian nor any employee or agent of Custodian has selected or recommended any investment for me; and neither Custodian nor any employee or agent of Custodian has acted as a broker-dealer or salesperson in completing any purchase or sale of an investment of a security for me, except where Custodian may purchase or sell a publicly-held security on my behalf, at my own direction through its affiliate that receives a commission for such transaction.

4. Custodian is neither an agent nor a representative of any investment program or other entity in which or with which I may invest; and any salesperson, promoter, financial advisor, broker or other party involved in the purchase or sale of my investment shall be considered my own agent and representative and not the agent or representative of Custodian. Custodian has no duty or responsibility to investigate or make recommendations as to my choice of agent. Custodian has no responsibility to question any investment directions given by me or any appointed financial representative. I further understand that custodian does not compensate nor receive compensation from the undersigned chosen representative.

6. Custodian shall be under no obligation or duty to investigate, analyze, monitor, verify title to or otherwise evaluate any investment contemplated herein, or to obtain or maintain insurance coverage (whether liability, property or otherwise) with respect to any assets or investment purchased by me. I understand that certain transactions are prohibited in individual retirement accounts and qualified retirement plans under Section 4975 of the Internal Revenue Code. I further understand that the determination of a prohibited transaction depends on the facts and circumstances that surround the particular transaction. Custodian will make no determination as to whether my investment is prohibited.

I further understand that should my Retirement Account engage in a prohibited transaction, my account will incur a taxable distribution as well as possible penalties. I represent to Custodian that I have consulted with my own legal and accounting advisors to ensure that my investment does not constitute a prohibited transaction and that my investment complies with all applicable federal and state laws, regulations and requirements including without limitation that the offering entity or individual is not a disqualified person under IRC 4975 (e) (2), nor a "party in interest" as defined in ERISA section 3 (14). In the event any investment for my retirement account produces taxable income (unrelated or debt financed) pursuant to IRC 511-514, I agree to prepare or have prepared for me, the required 990T tax form along with a direction of investment authorizing the custodian to pay taxes from my account. Forms need to be submitted to the Custodian for filing 5 days prior to the date on which they are due.
